

"As a teacher, I see my job, first and foremost, as a guide who helps students find their own ways, step by step, to the truth. I also try to instill growth mindset in my students and cultivate their compassion for others, with the hope of shaping them as holistic, fully human, and resilient people."

THU TRUONG

English Teacher

Teaching since 2015,

WorldTeach volunteer at Majuro, Marshall Islands for 1 year of ESL English.
