

“With active learning, I press on critical thinking to push their limits to the next level. I typically set high standards but will help students to meet expectations by providing individual help, review sessions, and the chance to resubmit work or revisions. I believe in a flexible manner of instruction, responsive to the unique atmosphere of a given class. I could be a strict teacher, but my students shall be diamonds at the end.”

Success Cases

Trang tutored math for Vivian to help her prepare for the ACT test. Vivian struggled with wording questions and abstract math concepts. After 24 weeks of studying with Trang, Vivian has successfully improved her ACT math score from 53 (68% percentile) to 62 (87%percentile) and was accepted to Ohio State University.

Trang also worked as a Laboratory Teaching Assistant at Lorain Country Community College. Trang supervised lab groups and helped to provide make-up assignment, as well as hold biweekly tutoring sessions for college students. During her three years of lab tutoring, the lab passing rate was 100% and 87% of those tutored students completed their coursework with a B or above at the end of
